### **Mission Statement**

Greene County Fine Arts Council is an all-volunteer, non-profit community theater organization that takes pride in producing a year-round season of top-quality comedies, dramas, and musicals chosen to appeal to a wide range of audience tastes, and to provide exciting creative opportunities for local actors, technicians, and theater lovers.

### **Purpose of This Manual**

The Greene County Fine Arts Council has developed this manual as to not rely on people putting in their notions on how things should be done or have been done in the past. Remember, policies and procedures can be changed in the future but creating a manual will give all volunteers and future boards a good starting point. One of the goals of the Board of Directors is seeing that volunteers succeed both on stage and off. In order to do that, The Greene County Fine Arts Council has established a protocol that identifies who is in charge and who knows the guidelines directed by a policy and/or procedure. Not only will a policy and procedure manual help our volunteers succeed, it will also offer future boards a blueprint of what has worked in the past. Saying this, it is important to add that policies must not conflict or countermand the Bylaws.
